Dear Mrs. Gregory Piatigorsky,

My hearthiest congratulations on the glowing success of the second " Piatigorsky Cup Tournament ". All the arrangements and the management of the tournament was done in such a fashion as to enhance the enjoyment of all the spectators. It is a most generous and gracious gesture on your part for which all of us chess players and chess lovers are most appreciative and grateful.

The choice of contestants was most happy. Bobby was only a half point behind the Russians. In his favor, one might say that although he lost first place, no other contestant won as many games as he did. As Mr. Piatigorsky so aptly said at the banquet: " That after twins let us hope that there will be a girl ". In fact,, this time this was not far from wrong.

My best regards to Mr. Piatigorsky and all my heartfelt wishes for your continued success.

Obediently yours,
